## Terms and Conditions

**WELCOME TO YOUR Sable Bank Account and Debit Card!** This Account Agreement (the “Agreement”) contains the rules that govern, where appropriate, your account(s) and card(s) with Sable Money, Inc. (“Sable”).

-As used in this Agreement, “we,” “us,” and “our” mean, Sable as the facilitator and Coastal Community Bank or “Bank” as the FDIC insured depository institution. The cash balances in your account(s) with Sable Money, Inc. are held by Coastal Community Bank - This agreement is subject to applicable federal laws, and the laws of the State of Washington.

Your debit card is issued by Coastal Community Bank (“Coastal Community” or “Bank”), an FDIC insured depository institution, pursuant to a license by MasterCard International.

## Definitions

The words “you” and “your” mean each account owner and anyone else with authority to deposit, withdraw, or exercise control over an account. If there is more than one owner, then these words mean each account owner separately, and all account owners jointly.

An “owner” is one who has the power to deal with an account in his, her or its own name.

An “agent,” in contrast, is one whose power to withdraw from an account comes from or is on behalf of the owners. Authorized signers, attorneys-in-fact, and convenience signers are examples of agents.

“Personal accounts” are accounts in the names of natural persons (individuals). They are to be distinguished from “non-personal accounts” which are accounts in the name of corporations, partnerships, trusts and other entities.

“Deposit Account” means any bank account opened with Sable.

“Bank account” is a type of Deposit Account with billpay and debit card capabilities. It is not an account through which you are permitted to purchase securities.

“Card” means the Sable MasterCard debit card which is issued by Coastal Community in the name of the Cardholder for carrying out of all Card Transactions from an account held with Sable, as provided for in these Account Agreement Terms and Conditions.

“Cardholder” means the person in whose name an Account has been opened and in whose name a Card is issued.

“Card Transactions” means any payment made for goods or services, cash withdrawals from a bank or financial institution (including ATM withdrawals) or transfer of funds made through the use of the Card or the Card number.

“Service” means a Deposit Account, Bill Payment service, Funds Transfer service, or any other financial product or service available through Sable.

Unless it would be inconsistent to do so, words and phrases used in this Agreement should be construed so that the singular includes the plural and the plural includes the singular.

## Consent to Terms and Conditions and Modifications

By enrolling in services or applying for an account with Sable, you agree to be bound by the terms and conditions of the account and any fees that may be imposed. The terms and conditions of your account include this Agreement, any disclosures we give you when you open your account, subsequent disclosures we provide when using additional products and services, periodic statements, user guides, our Privacy Policy, and any other disclosure or terms we provide to you. Continued use of your account

means you agree to these terms, you agree to pay the fees listed, and you give us the right to collect the fees, as earned, directly from your account balance or any linked external accounts.

### **Modifications**

We may amend or change any terms of this Agreement or any account disclosures and documents provided to you. Notice of the amendment or change will be provided to you as required under applicable law.

If at any time the terms, conditions or fees associated with your account are not acceptable to you, you may terminate this Agreement by closing your account after paying any fees or charges owed to us. We may cancel or suspend your account, debit card, or other account services at any time.

### **Business Days**

For purposes of these disclosures, our business days are Monday through Friday, unless stated otherwise. Federal holidays are not included.

### **Identification Notice (USA PATRIOT ACT)**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

This means that when you open an account or use our services, we will ask for your name, physical address, date of birth and other information that will allow us to identify you. We may also ask to see other identifying documents such as driver's license or other documents that validate your identity.

Even if you have been an existing customer of ours, we may ask you to provide this kind of information and documentation because we may not have collected it from you in the past or we may need to update our records.

If, for any reason, any owner is unable to provide the information necessary to verify their identity, your account(s) may not be opened, may be blocked or closed.

You are responsible for the accuracy and completeness of all information supplied to us in connection with your account and/or account services and for keeping your personal data with us updated if you move or otherwise make changes to your personal data.

## **General Terms and Conditions**

### **Personal Accounts**

An account opened for personal use cannot be used for business purposes. ### **Coastal Community Bank**

We have partnered with Coastal Community Bank, an FDIC insured depository institution, to offer you certain banking Services. When you sign up for an Account with us, you agree to Coastal Community Bank's Privacy Notice through this agreement. You authorize us to share any of your information with Coastal Community Bank. It is your responsibility to make sure data you provide us is accurate and complete. Because Coastal Community Bank has its own contractual rules governing use of its services, you must accept Coastal Community Bank's Privacy Notice <https://www.coastalbank.com/privacy-notice.html> before opening your Account.

Sable will provide you with any and all notifications as well as all customer support related to your Account. Please contact us if you have any questions at [help@sablecard.com](mailto:help@sablecard.com).

### **Connected Accounts**

To ensure a more valuable experience with Sable, Sable uses Plaid Technologies, Inc. (“Plaid”) to gather your data from external financial institutions/bank accounts you connect via the Sable App. By using our service, you grant Sable and Plaid the right, power, and authority to act on your behalf to access and transmit your personal and financial information from the relevant financial institution. You agree to your personal and financial information being transferred, stored, and processed by Plaid in accordance with the Plaid Privacy Policy at [plaid.com/legal](https://plaid.com/legal).

### **Account Balances**

You agree to maintain a positive balance and not to incur overdrafts. If you manage your account in such a way that it results in a negative balance or becomes overdrawn, you agree to rectify the matter by transferring sufficient funds from your linked internal or external account to repay the overdrawn balance. Your failure to bring your account to a positive balance could result in the temporary or permanent suspension of your Account and services. Further consequences may be enacted if you do not remedy the situation in a timely manner and may include: (1) the reporting of your negative balance to a reporting agency; (2) legal action; and/or (3) charging you fees for the overdraft in accordance with our Schedule of Fees.

### **Confidentiality**

We will disclose information about your account or the transactions you make to third parties:

- When it is necessary to complete transactions;
- To verify the existence and standing of your account with us upon the request of a third party, such as a credit bureau or merchant;
- In accordance with your written permission;
- In order to comply with court, governmental, or administrative agency summonses, subpoenas or orders; and
- On receipt of certification from a federal agency or department that a request for information is in compliance with the Right to Financial Privacy Act of 1978.

### **Account Closing**

If you wish to close your account with us, you agree to withdraw all of the funds from your account and we may require you to notify us of this intention in writing. After an Account is closed, we have no obligation to accept deposits or pay outstanding items but may do so at our discretion. You agree to hold us harmless for refusing to honor any item on a closed account. If funds remain in the account after you have notified us of your intent to close your account, we will require you to submit your request to us in writing and we will return any remaining funds to your linked external account. Any related closing fees will be deducted from the final balance.

### **Foreign Activity**

If you have moved outside of or have extended stays outside the United States, you may be contacted about the international activity in your account and for further verification of your address. If you are moving, traveling, or will be temporarily residing overseas, we recommend you contact us to prevent any disruption in your account activity. Your account may be closed if you no longer reside in the United States.

### **Inactive and Dormant Accounts**

We may consider a Deposit Account to be “inactive” after a period of no owner-initiated activity (120 days). After a period of “inactive” status (120 days), we may consider a bank Account to be “dormant”, at which time it will be closed and funds sent back to your linked external account.

If the account becomes inactive or dormant, the account will continue to be subject to any service charges in accordance with our schedule of fees. If an account becomes inactive we will notify you with specific instructions on how to restore the account to an active status.

### **Death or Incompetence**

You or your appointed party, designee, or appointed individual agree to notify us promptly if any agent or person with signatory rights on your account dies or becomes legally incompetent or incapacitated. We may continue to honor any items submitted until (a) we know of the fact of death or of a legal determination of incompetence or incapacitation and (b) we have had a reasonable opportunity to act on that knowledge. You agree that, even if we have knowledge of death of an agent or person with signatory rights, we may pay on items drawn on or before the date of death for up to 10 days after that date, unless ordered to stop payment by someone claiming an interest in the account. We may require additional documentation to confirm any claims made on the account.

### **Levies, Garnishments, and Other Legal Processes**

If we are served with a legal action, such as a subpoena, writ of attachment, levy garnishment, search warrant or similar order, we will comply with that legal action. In our discretion, we reserve the right to refuse to pay any money from your account, including checks or other items presented for payment, until the action is resolved. If we are required to pay an attachment, garnishment or tax levy, we will not be liable to you. Payment is made after satisfying any fees, charges or other debts owed to us. You agree that you are responsible for any expenses, including legal expenses and fees we incur due to a garnishment, levy or attachment on your account. We may charge these expenses to your account. Until we receive the appropriate court documents, we may continue to process transactions against your account, even if we have received an unofficial notification of an adverse claim. You will indemnify us for any losses if we do this.

## **Withdrawals from Accounts**

### **General**

Unless otherwise indicated by us, anyone who is listed as an account owner, or is assigned Power of Attorney privileges may withdraw or transfer all or any part of the account balance at any time on forms approved by us or with your debit card, through Bill Pay, or other available Services.

We reserve the right to refuse any withdrawal or transfer request that is attempted by any method not specifically permitted or that exceeds any frequency or monetary limitations. Even if we honor a nonconforming request or allow a transaction or transaction(s) to overdraw your account, these may force us to close the account. We will use the date a transaction is completed by us (as opposed to the day you initiated it) to apply the frequency limitations.

### **Deposits to Accounts**

All items deposited will be handled by us as an agent for you. Any monetary items mailed to us will be refused and returned to you. We reserve the right to charge back to your account the amount of any item deposited to your account which was initially paid by the payor bank and later returned to us due to an allegedly forged, unauthorized or missing endorsement, claim of alteration, encoding error or other problem which in our judgment justifies reversal of the credit.

### **Automated Clearing House Deposits**

In order to transfer funds from an account that you own or have control of at another financial institution to your account at Sable using the Automated Clearing House ("ACH") Funds Transfer service, we use a service called Plaid Technologies, Inc. ("Plaid") to gather your data from external financial institutions you connect via the Sable App. By using our service, you grant Sable and Plaid the right, power, and authority to act on your behalf to access and transmit your personal and financial information from the relevant financial institution. You agree to your personal and financial information being transferred, stored, and processed by Plaid in accordance with the Plaid Privacy Policy at [plaid.com/legal](https://plaid.com/legal). ACH transactions will not be processed and accessible until the service is activated by us. Funds from these types of deposits will not be available until after the funds have settled.

### **Cash Deposits**

Sable accepts cash deposits via the Mastercard rePower® network. Funds deposited via this method will be made available within 24 hours of the deposit for use. The Mastercard rePower® daily limit is \$500.00. Please do not send cash deposits through the mail. In the event that a cash deposit is received for your Account, you agree that Sable's determination of the amount of the deposit will be final. We are not liable for any deposits, including cash, lost in the mail, lost in transit, or not received by us.

### **Direct Deposits**

You may initiate direct deposits by providing your employer or government benefits administration with our Routing Number and your Account number, which can be found by logging in to the Sable App. If we deposit any amount into your account which should have been returned to the Federal Government for any reason, you authorize us to deduct the amount of our liability to the Federal Government from your account, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

If a direct deposit posts to your account and is later found to be made payable to someone other than yourself or another account owner listed in our records, the amount of the deposit will be deducted from your account and returned to the originator without prior notice to you.

### **Mobile Deposits**

All checks submitted for deposit must be made payable to you. We do not accept third-party checks. We do not accept deposits in foreign funds or checks drawn on banks outside the United States. We reserve the right to reject a deposit if it is made payable to Sable or Coastal Community Bank. We reserve the right to refuse any other type of deposit if we believe it is fraudulent, will not be paid, it is not made payable to you, or is otherwise suspicious in nature. We will not be held liable if such action causes outstanding items to be dishonored and returned, or payment orders to be rejected.

You agree to properly endorse all items captured and submitted using the Mobile Deposit Service. This should include a signature(s) from the named payee(s). It is also recommended that you write "For Sable Mobile Deposit Only." You agree, after you submit an item for deposit using the mobile deposit service, you will not redeposit, otherwise transfer, or negotiate the original item.

For checks sent via mobile deposit, the check shall not be considered to have been received by us until we have received the valid electronic check image file. Limits to the number of mobile deposits permitted and the amount of funds that can be deposited are imposed for security reasons. For this purpose, we may not readily disclose those limits to you.

All deposits will be credited to your account in accordance with our Funds Availability Policy.

### **Mobile Wallet**

When you add a Card to a Wallet you agree to the following Terms:

1. A card can be added to your Wallet by following the instructions of the Wallet provider (i.e. ApplePay, GooglePay, SamsungPay, etc). A card can be added to multiple Wallets and on multiple devices as long as it is eligible to do so. These terms, and the terms of the Wallet provider and any Service Providers (i.e. third-party wireless companies), cross over your Card regardless of which Wallet it is added to. No card can be used if it has been cancelled.
2. The overall terms of this Account Terms and Conditions do not change when a card is added to a Wallet. In addition, any applicable fees that apply to your account apply to activity done through your Wallet as well.
3. When your card is added to your Mobile Wallet it can be used to make purchases wherever Mobile Wallets are accepted. Mobile Wallets may not be accepted everywhere that your Debit Card is accepted.
4. As part of your use of your Wallet you agree to protect and keep confidential your User ID, passwords and all other authentication information required for use of your Card in your Wallet(s).
5. All questions or complaints about Wallet specific functions or security should be directed to the Wallet provider. All transaction related questions should continue to be directed to Sable.

### **Deposited Items Returned**

If final payment is not received on any item you deposited to your account, or if any direct deposit, ACH deposit or Electronic Fund Transfer to your account is returned to us for any reason, you agree to pay us the amount of the return.

We may charge any account of which you are an owner or re-present any item you deposit with us that is returned to us unpaid without prior notice to you. We may charge a fee for returned deposited items in accordance with our Schedule of Fees.

You authorize us to attempt collection of previously returned items that you deposited. In our attempts to collect these items, you agree that we may allow the payor bank (the bank on which the item is drawn) to hold the item beyond its midnight deadline.

If a claim is made on any item subsequent to final payment on the grounds that the item was altered, bears a forged or unauthorized endorsement, or was not otherwise properly payable, we may withhold credit for the item from your account until final determination of the claim. In addition, we will not be liable for a check, draft or other item that you deposit that has been forged or altered in such a way that a reasonable person could not discover the forgery.

### **Funds Availability**

#### **Funds Availability Policy**

Information contained in this section is to assist you in understanding our Funds Availability Policy. Sable does not accept in-person or mailed deposits.

#### **General Policy**

It is our policy to review each deposit and determine how the funds are being deposited. We make the funds available to you according to the deposit type and when the funds are applied to your account. Some deposit types may not be available for immediate use. When we delay the availability of funds or place a hold on a deposit made to your account, you may not withdraw those funds, and we will not use them to pay bills or other debits, such as ACH withdrawals or wire transfers, during the hold period. If we delay the availability of funds, we will notify you of the new funds availability date.

We reserve the right to refuse any deposit. If final payment is not received on any item you deposited to your account, or if any direct deposit, ACH deposit or Electronic Fund Transfer to your account is returned to us for any reason, you agree to pay us the amount of the return, plus any fee in accordance with our Schedule of Fees.

#### **Availability**

The length of delay in the availability of funds varies depending on the type of deposit. Special rules may apply to new accounts.

**Business Days**

The length of delay in the availability of funds is counted in business days from the day your deposit is applied to your account. Deposits received after 4:00PM (PST) will be considered to be received on the next business.

**Same-Day Availability**

Funds from wire transfers, transfers between Sable accounts, preauthorized electronic payments such as payroll direct deposits, or other preauthorized electronic payments will be available on the day the deposit is applied to your account.

Funds from Customer-initiated electronic payments or transfers will be applied to the account when Sable has verified the external account and received payment in collected funds. Once the funds are applied to your account, they will have same-day availability.

**Check deposits**

Funds you deposit by check may be delayed for a longer time period based on our review of the check and your account history. They will generally be available no later than the fifth business day after the day of your deposit.

If you need to be sure when a particular deposit will be available for withdrawal, you can verify the availability of your deposit by emailing us at [help@sablecard.com](mailto:help@sablecard.com) or calling us at 833-583-8383.

**Special Rules for New Accounts**

Special rules may apply during the first 30 days of any new account you open with Sable:

- All check deposits may be held for an extended period of time but no longer than nine business days after deposit is received.

**Electronic Fund Transfer (“EFTs”) Disclosures**

We offer account services that may be considered “Electronic Fund Transfers,” including, but not limited to, ATM transactions; ACH transactions, including, but not limited to, direct deposits and pre-authorized withdrawals; and online transfers. This disclosure (as required by Federal Regulation E: Electronic Fund Transfer Act) provides information that describes your rights and responsibilities regarding these services. The Electronic Fund Transfer services are services that we can provide, assuming that you specifically request and arrange them and qualify for the service.

**Card Activation**

You must activate your Card in accordance with the instructions provided with your Card before it can be used. You will need to provide your personal and card information in order to verify your identity and activate your card.

**ATM and Debit Card Transactions**

Your Sable Debit Card is issued by Coastal Community Bank, Member FDIC, pursuant to a license by MasterCard Incorporated.

Consistent with applicable law, you may use your debit card with your signature or PIN to perform most routine transactions on the accounts that are accessible by your debit card, such as to:

- Make cash withdrawals
  - Obtain your most recently available account balance
  - Pay for purchases at places that have agreed to accept the card
- Some of the above services may not be available at all ATMs or locations.

**Authorized Card Users**

You are responsible for all authorized transactions initiated and fees incurred by use of your card. If you permit another person to have access to your card or card number, we will treat this as if you have authorized such use and you will be liable for all transactions and fees incurred by those persons. You are wholly responsible for the use of each card according to the terms and conditions of this Agreement.

**International ATM Transactions**

International transactions made using your debit card will be converted to U.S. currency according to the rules and regulations of the card network. The conversion of the currency to U.S. currency may occur on a date other than your original transaction date and fees may be assessed by these networks. You are responsible for the U.S. currency amount plus any fees assessed for the currency conversion. Some services may not be available at international ATM terminals. International ATM transactions may be subject to a fee in accordance with our Schedule of Fees.

**ATM Deposits**

Your Sable debit card does not permit deposits at ATMs.

**Debit Card Point-of-Sale Transactions**

You may use your debit card to purchase goods and services and/or obtain cash where permitted by the merchant, from any merchant who accepts Mastercard. The merchant may require your signature instead of your PIN to authorize the purchase request. You may also use your debit card with your PIN at any merchant location where ATM cards are accepted to purchase goods, services, and/or obtain cash where permitted by the merchant. The amount of all purchases, including any cash obtained, will be deducted from your bank account. When you make a purchase through the Card network, we may place a hold on the funds in your bank account in the amount that may be necessary to cover the amount of the transaction.

### **Transactions Using Your Card Number**

If you initiate a transaction without presenting your Card (such as for mail order, internet or telephone purchase, a Prefunded Check purchase or an ACH debit purchase), the legal effect will be the same as if you used the Card itself.

### **Limitations on Frequency of Debit Card Transactions and Cash Withdrawal Limits**

Frequency of use limitations are imposed on card transactions for security reasons and for the protection of your account. You will be denied the use of your card if:

- You exceed the daily ATM withdrawal or purchase limit;
- You do not have sufficient available funds in your account;
- You do not enter your correct PIN; or
- You exceed the limit on the number of times you can use your card each day.

The receipt provided by the ATM or merchant terminal will notify you of the denial. There is a limit on the number of such denials permitted, beyond which the machine may retain your card. The number of attempts that will cause the retention of your card is also not disclosed for security reasons.

You may not withdraw more than \$750.00 cash at an ATM or during a POS purchase daily (subject to merchant limits) or purchase more than \$5,000 worth of goods or services on any calendar day.

### **Preauthorization Holds**

When your debit card or other network enhancement feature related to the card is used at a point-of-sale location to obtain goods or services or obtain cash, the merchant may attempt to obtain a pre-authorization from us for the transaction. We may place a hold on your account for the amount of the preauthorization request for a duration based on the vendor type. This can range from 2 days to 30 days and may vary in some cases from the amount of the actual purchase, depending on the merchant's request. If the preauthorization request varies from the amount of the actual transaction, payment of the transaction may not remove the hold, which will remain on the account until the end of the hold period. This hold may affect the availability of funds from your bank account to pay checks or for other Electronic Fund Transfers. We will not be responsible for damages for wrongful dishonor of any items that are not paid because of the hold.

### **Preauthorized (ACH) Debits or Credits**

You may arrange to have certain recurring payments automatically deposited (credited) to your account. Examples of this service include the direct deposit of Social Security and other government payments, and the direct deposit of your payroll. If you have arranged to have direct deposits made to your account at least one every sixty (60) days from the same person or company, you can contact us at [help@sablecard.com](mailto:help@sablecard.com) to find out whether or not the deposit has been made.

You may arrange to have certain recurring withdrawals automatically paid (debited) from your account. For example, you may arrange to have insurance premiums paid automatically.

These preauthorized transfers are governed by federal regulations pertaining to Electronic Fund Transfer services that entitle you to certain protections. Requests for these services must be authorized by you, in writing, to the Originator of the transaction prior to becoming effective.

### **Right to Stop Preauthorized Electronic Transfers (ACH)**

If you want to permanently revoke an ACH you authorized from a third party, you will need to send written instructions to the originating third party to cancel your ACH transfer. To stop payment on an ACH originated transaction a written request must be sent to [help@sablecard.com](mailto:help@sablecard.com).

If you have authorized regular payments out of your account, you can stop any of these payments by notifying Customer Service by telephone at 833-583-8383 or email. If you notify us by telephone, you may be required to confirm the information provided by writing to us at [help@sablecard.com](mailto:help@sablecard.com).

Your request must include your account number, the name of the payee, the amount of the item to be stopped, and the date payment was scheduled to be made. This request needs to be received by us three (3) or more business days before the payment is scheduled to be made. We may also require you to send your request in writing.

You are subject to the general rules of Stop-Payment Orders in this Agreement.

### **Stop Payment Liability**

If you request that we stop payment on any preauthorized transfer according to the requirements above and we fail to do so, we will be liable for your proven loss or damages, unless:

- You failed to give us enough information, proper instructions or sufficient time to act on the stop payment; or
- We do not receive written confirmation of your telephone or email request to stop payment within 14 calendar days, and the preauthorized transfer occurs after the 14 calendar days.

In any case, we will only be liable for actual proven damages if the failure to stop payment on your transaction resulted from a bona fide error on our part, despite our procedures to avoid such errors. If we pay a preauthorized transfer despite your valid and timely stop order request, we may re-credit your account. If we do this, you will sign a statement describing the dispute with the payee. You agree to transfer to us all of your rights against the payee. In addition, you will assist us in any legal action taken against the payee.

Additionally, if you want to permanently revoke a recurring preauthorized electronic transfer, you will need to first send written instructions to the originating third party to cancel your preauthorized transfer. We may ask you to provide us with a copy of your letter to the originating third party and sign an Affidavit revoking authorization. To stop payment on an ACH originated transaction a written request must be sent to [help@sablecard.com](mailto:help@sablecard.com).

### **Our Liability for Failure to Complete an Electronic Fund Transfer**

If we fail to complete an Electronic Fund Transfer transaction on time or in the correct amount when properly instructed by you, we will be liable for damages caused by our failure unless:

1. There aren't sufficient funds in your account to complete the transaction through no fault of ours.
2. The funds in your account aren't available at the time the EFT posts to your account.
3. The funds in your account are subject to legal process;
4. The ATM system has insufficient cash to complete the transaction;
5. Your card has been reported lost or stolen and you are using the reported card;
6. We have a reason to believe that the transaction requested is unauthorized;
7. The failure is due to an equipment breakdown that you knew about when you started the transaction at an ATM or merchant terminal;
8. You attempt to complete a transaction at an ATM or merchant terminal that is not a permissible transaction listed above; or
9. The transaction would exceed security limitations on the use of your debit card.

In any case, we will only be liable for actual proven damages if the failure to make the transaction resulted from an honest error despite our procedures to avoid such errors.

### **Unauthorized Transfers**

Tell us immediately, either via the Sable application or by contacting Customer Service at 833-583-8383 if you believe your debit card and/or PIN has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission. Contacting us by phone 833-583-838 or email at [help@sablecard.com](mailto:help@sablecard.com) is the best way to keep your potential losses down. You could lose all the money in your account!

If you tell us within 2 business days after you learn of the loss or theft of your debit card and/or PIN, you can lose no more than \$50 if someone used your debit card and/or PIN without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your debit card and/or PIN, and we can prove we could have stopped someone from using your debit card and/or PIN without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card or other means, tell us at once. If you do not tell us within 60 days after your account statement is made available to you, you may not get back any money you lost after the 60 days, if we can prove that we could have stopped someone from taking the money if you had told us in time. If extenuating circumstances kept you from telling us, we may extend the time periods at our sole discretion.

You may be required to confirm the information provided over phone or email in writing. In these cases, we will advise you accordingly, provide you the necessary forms for confirming your dispute in writing, and give you instructions for sending us the signed form.

### **Errors or Questions and How to Contact Us**

In case of errors or questions about your Electronic Fund Transfers, you agree to promptly contact Customer Service by telephone 833-583-8383 or email at [help@sablecard.com](mailto:help@sablecard.com). You may be required to confirm the information in writing within 10 business days. In these cases, we will advise you accordingly, provide you the necessary forms for confirming your dispute in writing, and give you instructions for sending us the signed form.

If you believe an Electronic Fund Transfer transaction was processed in error or was unauthorized, or if you need more information about a transfer listed on your statement or receipt, you must contact Sable no later than 60 days after the problem or error first appeared on your statement.

In your communication with us, please provide the following information:

- The account name, account number, and last four digits of the debit card number, if applicable;
- A description of the suspected error or the transfer about which you are unsure, why you believe there is an error, or why you need more information;
- The dollar amount of the suspected error; and
- The date of the suspected error.

When we receive your dispute notification, we will advise you of the status of our investigation within 10 business days. In all cases, we will correct any error promptly.

If we need more time to investigate your question or complaint, we may take up to 45 calendar days for ATM transactions (other than international transactions) and ACH transactions. For errors involving new accounts within 30 calendar days after the first deposit, point-of-sale transactions or foreign-initiated transactions, we may take up to 90 calendar days to investigate your complaint or question. If this is necessary, we will provisionally credit your account for the amount you believe is in error within 10 business days of your original complaint or question, so that you will have the use of the money during the time it takes us to complete our investigation. If we do not receive your written confirmation of your questions or complaint within 10 business days, we may decide not to provisionally credit your account.

We will send you a written explanation within three (3) business days after we finish our investigation. You may ask for copies of the documents we used in our investigation. If provisional credit was given and it is determined that there was no error, you must repay to us the amount of the provisional credit for the disputed item(s). ### **Debit Card Revocation**

You agree that your debit card remains the property of Coastal Community Bank and shall be surrendered upon demand. The card is non-transferable, and it may be canceled, reposed, or revoked at any time without prior notice subject to applicable law.

If you do not use your debit card for an extended period, defined by Sable as 90 days, or we believe the card may be lost/stolen or is being used improperly, it may be canceled for security reasons and will be unusable. This may occur without prior notice to you.

If your card is reissued or reactivated, we may charge you a fee for its reissue/replacement in accordance with our schedule of fees.

### **Fees and Charges**

You will pay any applicable fees and charges we assess for your Card services and/or other electronic services that you select. Applicable fees will be deducted from your account and listed on your account statement. These charges and fees are assessed in accordance with our schedule of fees.

### **ATM**

We will not charge you a fee to use your Card at any ATM, however, operators of ATMs and cash dispensing devices, their Networks, and merchants may charge you a fee for this use including for a balance inquiry even if you do not complete a withdrawal. This ATM fee is a third-party fee amount assessed by the individual ATM operator only and is not assessed or controlled by us. This ATM fee amount will be charged to your Account.

### **FOREIGN TRANSACTIONS**

We do not charge a fee for foreign transactions. Mastercard charges a foreign transaction fee on international transactions.

If you obtain funds or make a purchase in a currency other than U.S. dollars, the amount deducted from the Available Balance of your Account will be converted by Mastercard into an amount in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Mastercard from the range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate Mastercard itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate may be different from the rate in effect on the date of your transaction and the date it is posted to your Account. MasterCard may charge you an International Service Fee (sometimes referred to as an "ISF") equal to one percent (1%) of the U.S. dollar amount of any International Transaction. The International Service Fee will be calculated on the U.S. dollar amount provided to us by Mastercard and will be charged to the same Account to which the transaction is posted at the same time the International Transaction posts to that Account. The same conversion process and fee may apply if any International Transaction is reversed or credited back to your Account.

### **Funds Transfer Service**

"Funds Transfer" is an electronic transfer service provided by Sable and powered by Coastal Community Bank that enables you to securely transfer funds from an account at another financial institution to your account with us, and/or from your account with us to an account at another financial institution. Prior to use, you are required to register your external bank account for verification and security purposes. Once your Funds Transfer service is active, please refer to the Funds Availability schedule to see when your funds will be available for your use in your account. In all cases, funds may be held until we receive verification that the transaction has settled.

By using the Funds Transfer service, you agree that the Bank will transfer funds through ACH services and that the transaction is subject to completion upon our final review and verification. You agree that such requests constitute authorization for such transfers. This authorization is to remain in full force until the Bank has received written notification from you of its termination, you have electronically deleted a registered bank account or debit or credit card from the Funds Transfer service, or you have electronically canceled an account and/or transfers from the Funds Transfer service in such time and in such manner as to afford the Bank and the other financial institution a reasonable opportunity to act on it.

This service may not be available for all customers and/or account types. Please review our Funds Transfer FAQs for information on availability.

By using the Funds Transfer service, you are certifying that the registered external accounts that you transfer funds to and from, and the debit or credit cards used to transfer from are under the same ownership as the account with us. In the event that the accounts are not titled the same or ownership among the transferring accounts changes, you will indemnify us for any losses incurred as a result of any transaction you initiate between these accounts that is later returned or is reported unauthorized. If you

initiate a transfer that is found to be unverifiable or is unable to be completed for other reasons, you agree to hold us harmless for any loss resulting from the incomplete transfer. If a transfer is made from a third-party's account or registered as an external deposit account, before we detect it, we may without notice to you, place those funds on hold and debit your account, and return the funds to the third party's account in the form of a bank check or funds transfer, once we have confirmed the funds cleared the external account.

If you use the Funds Transfer service to transfer funds to or from an account that has multiple owners, you agree that each owner authorizes the others to (a) initiate the transfer of funds between your accounts with us, as permitted by the Funds Transfer service, (b) register any external bank account or credit card, as permitted by the Funds Transfer service, and (c) initiate the transfer of funds between your account(s) with us and any registered external bank account or debit or credit card. This authority will cease only after we have received and have been given a reasonable amount of time to act on the appropriate documentation needed to change or remove the owner from the account. Each account owner agrees to be jointly and severally liable to Sable for any losses incurred as a result of the improper use of this service up to and including the transfer amount, any applicable fees and any legal expenses. Your Funds Transfer request will only be completed if you have sufficient funds in the account from which you wish to transfer funds and the accounts are linked for transfer capabilities. Funds Transfer transactions are subject to dollar amount limitations, which are determined by us and may be set according to your Account type and/or the type of Funds Transfer service you are using. These limitations are set for security reasons and are not disclosed for that reason.

Sable reserves the right to limit the number of external accounts that can be linked to your account for purposes of transferring funds; to limit functionality of the Funds Transfer service by imposing limits, holds, or other measures; and to close your account if unlawful activity is found or suspected.
